Team

Our team is made up of qualified management personnel carefully selected and recruited with experience in community development as well as a well-structured supervisory Board of Directors solicited from diverse fields that are related to the vision of BOCODA.

We have a team of consultants and country representatives who are qualified to realize our objectives in all our targeted communities.

All personnel on our country management team are also professionally qualified and comprised of local community representatives that support the professionalism and dynamism of our team members in guiding our objectives to reflect the realities on the ground.

Our partnership with local government officials gives us a legal framework for support and protection on the ground, as well as government will to influence positive change within our targets.

Mission

Bonazah leverages educational and financial resources to increase and improve the life options for underserved Children from Developing Nations.

Vision

Bonazah imagines a world where every underserved child receives the education they need to thrive in their communities, nation, and the world.

All this cannot be achieved without the help of civil society and international partners.

BOCODA in its vision believes that Africa needs the efforts of its people to grow the development process of its continents, and for that reason BOCODA was created to reach out to the local grassroots inhabitants in Africa so we can help to empower them to contribute to the development of Africa.

Values

Leadership, Responsibility, Accountability, and Integrity

Programs

BONAZAH Community Development of Africa is a torchbearer in issues of Youth empowerment, Women Empowerment, Educational Development, Livelihood support and Poverty reduction. Our performance, defined as progress towards achievement of results, geared towards a singular goal of building safer and more resilient nations and communities in Africa. BONAZAH activities focused on influencing individual actions as well as making communities better prepared for economic advancement and poverty alleviation.

BONAZAH worked to further rationalize our operations, supporting other organizations in Africa while expanding to other regions and local communities, strengthening systematic partnerships through cooperation and collaboration with our corporate partners.

BONAZAH in its vision believes that Africa needs the efforts of its people to grow the development process of its continents; for that reason, The creation of BONAZAH was to reach out to the local grassroots inhabitants in our areas of operations and empower them to contribute to the development of their localities. Due to lack of resources, we targeted specific areas to focus our interventions that will effectively engage community participation to help reduce poverty, make women's empowerment a reality, as well as education promotion, entrepreneurship, economic growth, and environmental sustainability.

Staff support or staff empowerment.

BONAZAH's objective of providing support to individuals and to its workers has created a significant impact on its community. The NDECA Community Convention Bamenda coordinated by the Executive Director of BONAZAH supported financially to assist in the running of the Convention.

Partnership Development

During the year 2023, representatives from the BONAZAH Community visited Guinness Bamenda to propose a Memorandum of Understanding (MoU). This partnership aimed to foster collaboration between both organizations in addressing community development challenges. The MoU will seek to outline areas of cooperation such as skills training, infrastructure development, and social welfare programs. Through this proposed partnership, the BONAZAH Community sought to leverage Guinness Bamenda's resources and expertise to further its mission of improving the lives of community members. BONAZAH community awaits a fruitful reply from the management. In view of consolidating our partnership, BONAZAH Cameroon took part in the celebration of the 15th Anniversary of SUIVI INDEPENDANT DU C2D in Yaoundé Cameroon from the 3rd of November – 5th November 2023.

Education Support:

The BONAZAH Community recognized the importance of education and undertook initiatives to support educational opportunities for children. As part of these efforts, representatives from the community visited Covenant Primary and Secondary schools to explore potential collaborations. These visits aimed to establish partnerships that would enhance the quality of education provided to students under the BONAZAH Community's guidance. By fostering relationships with educational institutions, the community aimed to create a conducive learning environment for children and promote academic excellence.

Orphan Support:

In line with its commitment to social welfare, the BONAZAH Community registered and paid fees for three orphans during the year 2023. This initiative aimed to ensure that vulnerable children have access to education and a brighter future. By covering their educational expenses, the community sought to alleviate the financial burden on orphaned children and provide them with equal opportunities for growth and development.
